

Summer 2021 Internship Program

Education Evaluation Internship

Our Education Department is seeking an Intern to assist with collecting and analyzing data. The Intern will work with staff to administer an evaluation system to determine the success of certain educational initiatives related to visitors and their experiences throughout our galleries. They will present their reporting to BMA staff and aid in developing future evaluation projects.

Responsibilities

- Engage with visitors on the weekend (limited interactions will be in place as we continue to evaluate our social distancing policies)
- Collect, analyze, and report on visitor data
- Review audience engagement literature across the museum sector
- Assist with creating additional evaluation projects

Preferred Qualifications

- Customer service experience
- Strong research skills
- Some experience with databases
- Qualitative or quantitative analysis is a plus
- All majors are encouraged to apply. Those studying the arts should have an interest in statistics and those studying mathematics/statistics should have an interest in the arts

Proposed Schedule

- This position will be performed as a hybrid structure with some onsite work (pending BMA policies and guidelines this Summer).
- A combination of Weekend and Weekday work schedule
