

## Summer 2021 Internship Program

### **Education Programming Internship**

Our Education Department is seeking an Intern to assist with research and data collection for our public programs. The Intern will have the opportunity to work on future programs by researching potential artists and speakers for the BMA to collaborate with. They will also assist with the production of our BMA Violet Hour which is a virtual/hybrid series that hosts artist talks, demonstrations, and interactive activities.

### **Responsibilities**

- Research potential artists/collaborators
- Collect and organize program data
- BMA Violet Hour production tasks (ex. communications, event facilitation, etc)

### **Preferred Qualifications**

- Strong communications skills
- Good research skills
- Event planning/organizing experience
- Some experience with databases/data organizing a plus

### **Proposed Schedule**

- This position will be performed as a hybrid structure with some onsite work (pending BMA policies and guidelines this Summer).
- Some events may take place in the evening or during non-traditional weekdays. We will work with the selected applicant and their schedule.
